Ramon Rojano, MPH, MFT, Director

### Health & Human Services Department To Hold Second Flu Clinic

(November 30, 2005)--- The City of Hartford Health and Human Services Department will hold a public flu clinic for Hartford residents who are 18 years of age and older.

Vaccine supplies will be administered on a first-come-first-served basis while supplies last. This is a walk-in clinic and no appointments are necessary. There is **no cost** for this event.

**DATE:** Wednesday December 7<sup>th</sup>  
**TIME:** From 12:00 p.m. to 7:00 p.m.  
**LOCATION:** Hartford Health Department at 131 Coventry Street.

Anyone who wants to reduce the chances of getting the flu can get vaccinated. However, certain people should get vaccinated each year. They are either people who are at high risk of having serious flu complications or people who live with or care for those at high risk.

People who should get vaccinated each year are:

- People aged 65 years and older, with and without chronic health conditions
- Residents of long-term care facilities
- People aged 2–64 years with chronic health conditions
- Children aged 6–23 months
- Pregnant women
- Health-care personnel who provide direct patient care
- Household contacts and out-of-home caregivers of children less than 6 months of age.

**If you need more information about flu vaccination, please contact the Hartford Health & Human Services Department at 860-543-8800.**
